Email.....

1. Please mark out of ten how the seminar content was communicated by your presenter (1=Bad 10=excellent):

2. Do you feel that there was sufficient technical content with the following areas, please tick:

- | | | | |
|--------------------------|------------------------------|-----------------------------|--|
| Single Ply Systems | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Hot Melt Solutions | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Hard Metals | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Liquid Applied Solutions | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Green Roofing Systems | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> further info required |

3. Does your practice specify the below products and if so what systems do you specify?

- | | | | |
|--------------------------|------------------------------|-----------------------------|-------------|
| Single Ply Systems | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Hot Melt Solutions | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Hard Metals | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Liquid Applied Solutions | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Green Roofing Systems | <input type="checkbox"/> Yes | <input type="checkbox"/> No | System..... |

4. What suggestions would you give us in order to improve the seminar?

5. Is your practice involved with any projects where you would require some design input from one of our technical advisors?

No

Yes, please advise us who we need to contact and by what date.
