About SIG Zinc & Copper

SIG Zinc & Copper is part of SIG Roofing, a leading division of SIG plc, a FTSE 250 listed company and the UK's market leading specialist supplier to professionals in the building and construction industry. SIG Zinc & Copper have assembled a rich portfolio of zinc, copper, aluminium and stainless steel roofing and cladding from proven suppliers to help you choose the perfect metal system. We have put together an 8-step guide to identify the challenges and ensure that a roof's design meets a building's requirements. Called #PerfectRoof, the eight steps follow the process from product selection and design expertise through to full guarantees and planned maintenance. Our know-how is just part of the service that is provided absolutely free to customers.
