

**RIBA CPD Seminar:  
Specifying Hard Metals: Choosing the Right Product for the Project**

**Feedback Form**

**Name**.....

**Email**.....

1. Please mark out of ten how the seminar content was communicated by your presenter (1= Bad 10=excellent):

2. Do you feel that there was sufficient technical content with the following areas, please tick:

- |                        |                              |                             |  |
|------------------------|------------------------------|-----------------------------|--|
| Specifying hard metals | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Hard metal issues      | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Construction methods   | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Hard metal options     | <input type="checkbox"/> Yes | <input type="checkbox"/> no | <input type="checkbox"/> further info required |
| Working with suppliers | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> further info required |

3. Does your practice specify the below products and if so what systems do you specify?

- |                    |                              |                             |             |
|--------------------|------------------------------|-----------------------------|-------------|
| Zinc               | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Copper             | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Stainless steel    | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |
| Engineered facades | <input type="checkbox"/> Yes | <input type="checkbox"/> no | System..... |

4. What suggestions would you give us in order to improve the seminar?

5. Is your practice involved with any projects where you would require some design input from one of our technical advisors?

No

Yes, please advise us who we need to contact and by what date.
